What eye believe is that every believer has a new heart. Given To us by the finished works of Jesus Christ. “Eye will give you a new heart and put a new spirit in you; eye will remove from you your heart of stone and give you a heart of flesh” (Ezekiel 36:26 NIV) however not everyone is aware like “Hey, eye am made new, eye don’t have to keep doing the things that have been revealed to me that brought death. Scripture says “This is the covenant eye will make with the people of Israel after that time,” declares the Lord. “ eye will put my law in their minds and write it on their hearts. Eye will be their God, and they will be my people.” The only new spirit that eye have heard of that would occupy our spirits would have been the holy spirit. Think about it, in the old covenant this was a promise from God for his children because in the old covenant, the holy spirit did not dwell in them, it rested upon them on the day of visitation. So they looked forward to all of the things that we possess as “Israel “ or (his children) and so just so happens we have been filled with the spirit of God, AKA the “new spirit” Ezekiel prophecies God would give us. We have it, we dance and rejoice about it. We would be hard-pressed to say we could have done without it for those of us who have received him. You see eye am getting us on the same page as he is on. If we have made a big deal about the baptism of the holy spirit why not the new heart? This is what could limit some of our experiences with the baptism of the holy spirit, the full merit holy ghost. Our ignorance of the effects of what the enemy did in manipulation and working intricately with the old heart. with us being naive and gullible, not believing and seeing the reason why we need to possess the fact that we have a new heart. A lot of us are in denial about the shame we carry. We pray and even do alms to mitigate the judgment that we fear is going to happen because of the things we have done. Not knowing the gospel message really is true, and there is provision for the things you have done that brought shame and condemnation into your life. The reason why we don't feel the total effects of the finished works of the cross is because we don’t fully embrace and believe we have been given a new heart. The new heart is led by the spirit. The old heart goes and lives according to all these foolishness of sayings Like "saving this one or that one for a rainy day”

type of mentalities, or "I'm saved but I still curse." And eye am not judging anyone. Those are the very enemies that will turn on you when an opportunity presents itself for you to go crazy. In the same way, count yourselves dead to sin but alive to God in Christ Jesus. "Therefore do not let sin reign in your mortal body so that you obey its evil desires" (Romans 6:11-12 NIV) being a believer, sin is no longer the boss of you. We have power over the things that manifest in our lives. You have been given the victory over the sins you once faced, by faith in Christ Jesus. When eye was a young believer eye didn't know eye had been made new in my heart also. Eye thought eye was just made new in my spirit. Eye also thought having the holy ghost gave me victory over things like lust. And on one level it does but with my natural eyes and feelings it didn't. Because eye thought eye was made new spiritually eye had the victory over lust. Now eye do have the victory over lust because of the communion elements driving the lust of the flesh away into the sea. Allowing God to pour his love into my heart. and in essence, giving me a new heart. Eye wrote an ebook " he put his covenant in my flesh." That is what eye was up against in my earlier years. This flesh. God has since shown the enemy who was the boss. Eye am the boss over me. Not sin. The Bible says that God would keep my heart and my mind. So eye don't worry about the attacks the enemy will try to launch against me. The king occupies my heart. So this is how eye do not let sin reign in my mortal body. He is keeping my heart and mind. The two areas where the enemy will try to infiltrate. This is why it is important eye know eye have a new heart when thoughts approach me saying "Hey buddy it's me lust, eye belong here. You remember me don't you buddy " eye know that it doesn't eye do my part and rebuke him allowing God to remain in my heart. Because it is true my heart is new there is no being tempted when eye rebuke him and mann my post he flees from me. And again God is free to remain in my heart. Now no one is perfect if he catches me on a day or a season of weakness. Or if eye have a moment of forgetting who eye am, a moment of amnesia eye repent, have communion and God continues to occupy my heart. Eye have power. Eye am the watchman over this temple. Eye have the authority of the holy ghost. Since God is occupying my heart eye

am freed up to live life in the spirit. To do the work of the ministry successfully. Without distractions or having to stop and deal with the worrisome noisome pestilence. Or the works of the flesh eye am free to build the kingdom and do the work of the ministry. For others who are not called to the 5-fold ministry, you will be freed up to fulfill your God-given destiny whatever field it is. You will be free to own and operate your own business. You will have everything you need to pull it off this time. That's why it is important we know and come from the new heart. We are free from struggling with sin when we confess it and repent of it, he comes in and takes up permanent residency on our new hearts. Freeing us up to pull it off this time. Unlike before our paths had crossed with the serpent and he hatched his eggs in our hearts which took on the form of the seven deadly sins. This is where and how things like low self-esteem depression anxiety are coming from the seven deadly sins that came down upon us by ways of Adam and Eve. This is how God redeems the time and reinstates us. He heals us of those things. There is a scripture that says whom the son makes free is free indeed. There is no room for doubt or for the enemy to win in our lives. God thought of everything he freed us of these things because he wants us to be available to fulfill our God-given destiny. You will be able to go back to school with the holy ghost and you will be able to open your own business with the holy ghost. When you know the gifts God has given you and you are doing it to fulfill destiny you will indeed do it this time. Eye am living proof this thing is real. It worked for me. That's how eye am sitting here giving this to you. Eye am hereby reinstated. To God be the glory by Tyler Mitchell. To so a seed go to the front of any of my ebooks. Thanks for reading!
